"...*Fixin' To Break Down* is bubbling with urgency and doused with the knowledge of an artist who has done his songwriting homework." **No Depression #51 May-June 2004**

"Without a doubt, one of the best albums I've come across in a long time." **(5 stars out of 5) www.rootsmusicreport.com**

"Clay is an excellent multi-instrumentalist and a no bull-shit writer. This cd is the ultimate soundtrack for drivin' off into the distance or drainin' the bottle all by yerself (sic)." **Vigilance, Vol. 4, Issue 6, March 2004**

"I do prefer quality over quantity, and there is quality here. . ."
